Geometry (Barron's Regents Exams And Answers Books)

Synopsis

This edition includes the most recent Geometry Regents tests through August 2014. These ever popular guides contain study tips, test-taking strategies, score analysis charts, and other valuable features. They are an ideal source of practice and test preparation. The detailed answer explanations make each exam a practical learning experience. Topics reviewed include the language of geometry; parallel lines and quadrilaterals and coordinates; similarity; right triangles and trigonometry; circles and angle measurement; transformation geometry; locus and coordinates; and an introduction to solid geometry.

Customer Reviews

(back cover) Used by more than half a million students each year! Full-Length Practice Exams designed to develop your subject knowledge and test-taking skills and show you where you need more study. Answers to All Questions Provide the guidance you need to learn on your own... Explanations to answers are provided where appropriate. It's like studying with a private tutor at your side Subject Review and Practice Tests Reflect the All-New Geometry Regents Exam Barron's gives you: MORE exams... MORE practice... MORE helpful answers than any other Regents guide! --This text refers to an out of print or unavailable edition of this title.

I used this book as a study aid for the Geometry Regents I took in 9th grade. It contains exams and answers, just as its title states. This book has explanations for problems as well, which is helpful to

check your answers. This book helped me achieve a decent grade on the Regents, and I think it can help out any high school student who is going to be taking the Geometry Regents.

Some of the answers were wrong.

At first I thought I was going to buy the last years book, I would have been fine if it was because I was out of options. However, the book came and it was the new, more updated book which made me happy!

This was a part of a three item order. Received the three of them in very good condition. All items were as discribed. Received much sooner than expected.

arrived in a timely manner, just what we needed

Good product

Good regents prep for high school. Found a couple of mistakes, but would recommend for New York high school review

Fair
