# Kennedy's Last Days: The Assassination That Defined A Generation

## Synopsis

On a sunny day in Dallas, Texas, at the end of a campaign trip, President John Fitzgerald Kennedy is assassinated by an angry, lonely drifter named Lee Harvey Oswald. The former Marine Corps sharpshooter escapes briefly, but is hunted down, captured, and then shot dead while in police custody. Kennedy's Last Days is a gripping account of the events leading up to the most notorious crime of the twentieth century. Author Bill O'Reilly vividly describes the Kennedy family's life in the public eye, the crises facing the president around the world and at home, the nation's growing fascination with their vigorous, youthful president, and finally, the shocking events leading up to his demise. Adapted from Bill O'Reilly's best-selling historical thriller Killing Kennedy, with an unforgettable cast of characters, page-turning action, and art on every spread, Kennedy's Last Days is history that reads like a thriller. This exciting book will captivate adults and young readers alike.

## Book Information

Lexile Measure: 1050L (What's this?)

Hardcover: 336 pages

Publisher: Henry Holt and Co. (BYR); 1st Edition edition (June 11, 2013)

Language: English

ISBN-10: 080509802X

ISBN-13: 978-0805098020

Product Dimensions: 7 x 0.9 x 9.6 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Average Customer Review: 4.5 out of 5 stars 250 customer reviews

Gr 5-9-This adaptation of O'Reilly and Martin Dugard's Killing Kennedy (Holt, 2012) retains the adult

version's brief chapters and "you are there" style. It opens with O'Reilly's memories of the day his high-school class learned of the events of November 22, 1963, and then briefly describes the backgrounds of the president and the assassin. Most of the book, however, follows the parallel paths of Kennedy and Oswald as they approach the fateful day in Dallas, describing the most important aspects of Kennedy's presidency and life, contrasting them with Oswald's radical beliefs, myriad failures, and growing isolation. O'Reilly discusses both men's personal lives but omits details of Kennedy's sexual escapades and Oswald's marriage found in the adult version. He gives an hour-by-hour account of the day and the assassination, and Oswald's capture and subsequent murder, and evaluates Kennedy's legacy. An afterword relates the post-assassination fates of major characters, and back matter provides primary-source documents, source information, and an overview of the Warren Commission's investigation. The well-captioned photos and maps that appear on almost every page are a major strength of the book. YA titles such as Wilborn Hampton's *Kennedy Assassinated!* (Candlewick, 1997) offer similar, detailed accounts of the assassination, but readers will find O'Reilly's readable style and juxtaposition of Kennedy's and Oswald's lives to be appealing. The popularity of the adult title will drive interest, but this book is strong enough to draw its own audience. An excellent choice for middle-school libraries.-Mary Mueller, Rolla Public Schools, MO

I enjoyed the details surrounding JFK's assassination ! Although I'm not a history buff, this read peaked my interest in the chronological events prior to and post assassination . I was unaware of the programs and the roles that he played in several things that exist today ..

This is an excellent read. I'm a Baby Boomer and was alive when this event happened. The book was well researched and factual. It caught me up and I read it quickly. I highly recommend this book and a look at one of the darkest moments in the history of the USA.

Bill oreilly never disappoints

Good book, good price

great

great

great book

good read for adolescents
